

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

May 16, 2008

Permit Number: OCRM-08-868-G
Permit ID: 63304

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Donald Boozer
C/o Gasque & Associates Inc.
28 Professional Village Circle
Lady's Island SC 29907

LOCATION: On and adjacent to Coosaw River at 47 Sandpiper Lane, Lady's Island, Beaufort County, South Carolina.
TMS#: R200-007-000-0161-0000.

WORK: The work, as proposed and shown on the attached plans, consists of constructing a private dock. Specifically, the structure will have a 4'x990' walkway with handrails leading to a 15'x15' covered fixed pierhead with water and electricity. Located channelward of the pierhead a 3'x30' ramp will lead to a 12'x20 floating dock. On the ebb side of the pierhead a 3'x24' catwalk will lead to two 12'x12' four pile boatlifts, one on each side of the catwalk. Additionally, a mooring buoy will be placed on the ebb side of the walkway approximately 75' shoreward of the boatlifts. The purpose of the dock and mooring buoy is for the property owner's private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before May 31, 2008. For further information please contact the project manager for this activity, Georgie Madlinger at 843-846-9400.
